1 On page 296, line 21, before "Not" insert "(a) IN
2 GENERAL.—".

3 On page 297, between lines 2 and 3, insert the fol-
4 lowing:

5 (b) CONTENTS.—The plan shall describe the activi-
6 ties of the Department of Energy, including a research,

1 development, demonstration, and commercial application
2 program for developing technologies, to support—

3 (1) the production and deployment of—

4 (A) 100,000 hydrogen-fueled fuel cell vehi-
5 cles in the United States by 2010; and

6 (B) 2,500,000 hydrogen-fueled fuel cell ve-
7 hicles in the United States by 2020 and annu-
8 ally thereafter; and

9 (2) the integration of hydrogen activities with
10 associated technical targets and timetables for the
11 development of technologies to provide for the sale
12 of hydrogen at a sufficient number of fueling sta-
13 tions in the United States by 2010 and 2020.

14 (c) PROGRESS REVIEW.—The Secretary shall include
15 in each annual budget submission a review of the progress
16 toward meeting the targets under subsection (b).
