Chairman Murkowski and Ranking Member Cantwell Announce Upcoming Hearing Schedule

WASHINGTON, D.C. – The Senate Energy and Natural Resources Committee today announced its next five upcoming hearings over the coming weeks on the three remaining titles – infrastructure, supply and accountability – of a broad energy bill, on critical minerals legislation, and on legislation before the Subcommittee on Public Lands, Forests and Mining. More information on these hearings can be found at the links below or visiting the committee’s [website](#).

- **Tuesday, May 12, 10 a.m.** Full committee [hearing](#) to receive testimony on [S. 883](#), the American Mineral Security Act of 2015.
- **Thursday, May 14, 10 a.m.** Full committee [hearing](#) to receive testimony on energy infrastructure legislation.
- **Tuesday, May 19, 10 a.m.** Full committee [hearing](#) to receive testimony on energy supply legislation.
- **Thursday, May 21, 2:30 p.m.** Public Lands, Forests, and Mining Subcommittee [hearing](#) to receive testimony on seven bills.
- **Thursday, June 4, 10 a.m.** Full committee [hearing](#) to receive testimony on energy accountability and reform legislation.

All hearings will be held in the Senate Energy and Natural Resources Committee room, Dirksen 366, and webcast live on the committee’s [website](#). Witness testimony will be available online immediately before the start of each hearing.
