Dear Chairman Manchin and Ranking Member Barrasso:

On June 01, 2021, our organization was included as a signatory on a letter expressing support for the confirmation of Ms. Tracy Stone-Manning to serve as the next Director of the Bureau of Land Management (BLM) at the U.S. Department of the Interior.

Since that time, we have learned of Ms. Stone-Manning's past involvement with the extreme environmentalist group, '*Earth First*', and the group's reported involvement with sabotage, creating hazardous work environments, property destruction and violent acts.

For this reason, Houston Safari Club rescinds its previous support of Ms. Tracy Stone-Manning to serve as the next Director of the Bureau of Land Management (BLM) at the U.S. Department of the Interior.

Thank you,

Joe Betar
Executive Director
Houston Safari Club

Enclosure: Letter of Support dated June 01, 2021
